

LAUNCHING THE **NEW**

# TITAN ECO SOLAR SKIRT

Our Titan Eco Solar Skirt is the UK's first decorative solar skirt. It not only completes the solar PV array in improving the aesthetics of the PV system but also prevents pests from damaging the wires.

## BENEFITS

- ✓ Gives a sleek black finish to solar panels
- ✓ Hides unsightly gaps, wires & rail and water run-off
- ✓ Keeps pigeons and rodents out
- ✓ Quick and easy to fit
- ✓ Clamps fit any panel from 30mm - 50mm
- ✓ Available as a front skirt only or full surround

- ✓ Clamps easily to the panel using an Allen key
- ✓ The skirt is 1.2m long and 160mm wide
- ✓ Made of Aluminium sheet - grade 1050 H14
- ✓ Powder coated Matt Black (RAL9005) clamps and skirt
